## Bags - Padlock

CPT bags can be manufactured to accommodate a Padlock to secure the bags. A metal plate is secured to the CPT bag to ensure bags are securely closed when using a padlock.

## Security Bags Seals

Seals – fits all standard CPT bags. Each seal is non-reusable, individually serialised. The seal must be broken off to be removed, thereby reducing tampering. 500/1000 Seals per pack. We can print your name on the Security Seals. Please inquire – T & C's apply.
